

21st CENTURY WOMEN'S ENTREPRENEURSHIP & LEADERSHIP

ANNUAL CONFERENCE

APRIL 21-22, 2023 | CROWNE PLAZA MADRID AIRPORT, MADRID

Women today are challenged with this force called, Fear. This fear creates an imaginary roadblock, walls that appear to cave in, and circumstances that are not real. Women are held captive to their own lives by this terror. We occasionally tend to pass on that fear to our family, creating a generational loop that needs to be broken. What are you feeding yourself? What needs to be eliminated from your thought process to make way for your faith? Are you instilling your family with the same fear? Faith and Fear are in a heavyweight championship match right now! The conflict ends here at The WEL 2023 Conference. The Annual Conference on 21st Century Women's Entrepreneurship & Leadership marks the end of the War today!

Biography

Dawn C. Benjamin is an inspiring and strong woman that grew up with a very encouraging mother who always taught her to "Never Say Can't Always Say Can." The word "CAN'T" wasn't allowed to come out of her mouth. Her mother was her greatest supporter and encourager.

She also knew words were very powerful and could determine the trajectory of your path in life. With those early beginnings, Dawn developed a belief system, within herself and within every woman that she meets. There are gifts and a purpose to be released into the world. Whenever she meets another woman, she sees the potential and speaks into their life.

Dawn believes that a woman's gifts — opens the door to more opportunities and that so many women are not fulfilling their purpose because they are afraid to step out and reach into the soul and spirit of who they really ARE. Dawn believes that each woman is the beacon of light for the next woman to define herself and her purpose on this earth.

Dawn is a woman of faith, courage, power, patience and persistence. She holds herself accountable to God and to uplifting other women along her path. She believes her purpose in life is to empower other women to do the same...to find their purpose
